Cookie Policy

How are D-Marin Cookies used?

D-Marin cookies are used in order to ensure functional running of the website and enhance your experience of using website. Besides, Google Analytics is used for the purpose of providing statistics on visitors online.

How does D-Marin use third party cookies?

D-Marin uses Google Analytics being a website analysis service provided by Google, Inc. ("Google"). Google Analytics uses the cookies with a view to analyzing how visitors use the website by means of statistical data / reports. For more information regarding use of Google Analytics (including options of refusal), you may visit the following address: https://www.google.com/intl/tr/policies/privacy/#infocollect .

Cookie Management

Following the steps given below based on the type of your internet browser; you may obtain information on cookies and exercise your right of permission or refusal:

Google Chrome: Clicking on the "symbol key" or the letter "i" contained in the "section address" of your browser; you may permit or block the cookies from the tab "Cookie".

Internet Explorer: Click on the tab "Security" from the section "Tools" contained on the upper right-hand corner of your browser and realize your cookie management as "allow" or "do not allow".

Mozilla Firefox: Click on the tab "open the menu" contained on upper right-hand corner of your browser. Clicking on the visual "Options", perform your cookie management using the button "Privacy and Security".

For other browsers (like opera, Microsoft edge), you may examine the pages 'help' or 'support' on the relevant browser.

Safari: You may choose the tab "safari" from the section "Settings" of your phone and ensure the management of all cookies from the section "Privacy and Security".

Along with the options given above, in order to know about all cookies and manage cookies, you may visit the address https://www.allaboutcookies.org, https://www.youronlinechoices.eu/ or use the app "**Privacy Badger**" at the address: (https://www.eff.org/tr/privacybadger).

Types of Cookies

Types of Cookies by Duration of Use: Session cookies and persistent cookies are used on the website run by D-Marin by duration of use. Session cookie ends when you shut down your browse while persistent cookies remain for a long time or an indefinite period of time on your hard disk.

Types of cookies by owner of the cookie or the party setting the cookie: "D-Marin cookies (first party cookie)" and **"third party cookies"** are used on the website run by D-Marin by the party setting the cookie. D-Marin cookies are managed when they are formed by D-Marin while third party cookies are managed by third party firms with which we cooperate.

Types of Cookies by their Intended Use: Technical cookies are used on the website run by D-Marin by their intended use. Technical cookies are those cookies that are necessary for running the website.
